# 13th Annual **Run FOR Kids**

**CBA President Tom Cuni, right, laughs with ProKids Executive Director Tracy Cook after presenting a check for nearly \$16,000 to the program.** The funds were raised from the 2009 YLS Run For Kids, chaired by Alison De Villiers and Jason Abeln. The presentation followed the recent ribbon-cutting ceremony at the new headquarters for ProKids at 2605 Burnet Ave. Cuni was among the dignitaries who cut the ribbon before the open house. Gene Mesh donated the building, which had been his law offices, to the Mayerson Foundation. The foundation then renovated the structure and leased it to ProKids for administration and training space.
