Part 1: GENERAL PROGRAM POLICIES

1.1 Scope of Policies

ProKids considers its greatest asset to be our Committed Community, who together are changing the lives of abused and neglected children. Within our organization, volunteers donate their time and talents to serve these children as advocates – Court Appointed Special Advocates/Guardians ad Litem (CASA/GALs), and Volunteer Supervisors/GALs – as board members and general program support volunteers. These policies are designed to provide guidelines for the CASA/GAL volunteer and Volunteer Supervisor/GAL in their roles. Certain policies are universal to all ProKids' volunteers. Therefore, throughout this manual, ProKids' volunteer and CASA/GAL volunteer are interchanged and non-exclusive in meaning. With promotion, additional responsibilities are required. In such cases those policy changes are noted with the volunteer title.

1.2 Purpose of Policies

The purpose of these policies is to provide overall guidance and direction to volunteers serving as CASA/GAL or Volunteer Supervisor/GAL for ProKids. These policies do not constitute, either implicitly or explicitly, a binding contractual or personnel agreement. ProKids reserves the right to change any of these policies at any time and to expect adherence to the changed policy. The Executive Director shall determine areas not specifically covered by these policies. CASA/GAL volunteers will be required to sign an agreement indicating that they have read, understood and will comply with all volunteer policies and procedures.

1.3 Exception to Policy

On occasion, certain exceptions may be made to any of the policies at the discretion of the Executive Director or/and the Board of Trustees of ProKids.

1.4 Approval of Policies

Approval of the Volunteer Policies and Procedures shall be the responsibility of the Board of Trustees of ProKids. Amendments to these policies are subject to ratification by the Board, which has final responsibility for such amendments, and reserves the right to amend these policies in any way at any time. Any amendments to these policies will be distributed to all CASA/GAL volunteers, Volunteer Supervisor/GALs and staff within 14 days of ratification.

1.5 Service at the Discretion of the Agency

ProKids accepts the service of all CASA/GAL volunteers with the understanding that such service is at the sole discretion of the program. CASA/GAL volunteers agree that the agency may at any time, for whatever reason, decide to terminate the CASA/GAL volunteer's relationship with the program.

1.6 Speaking on Behalf of ProKids

ProKids staff are available for outside speaking engagements to audiences of all sizes. And CASA/GAL volunteers are encouraged to speak about the program in general throughout the community. CASA/GAL volunteers should consult with the Community Director on any ideas or potential invitations to speak and spread the word about ProKids. This helps us have a coordinated plan for recruitment and avoids the possibility of more than one ProKids representative approaching the same person, business or group. All ProKids' volunteers are prohibited from speaking with the media on behalf of ProKids and/or their clients.

1.7 Fundraising for ProKids

ProKids is always looking for ideas to expand fundraising for the organization. Any ideas that CASA/GAL volunteers may have to assist with fundraising are appreciated and welcomed. CASA/GAL volunteers should consult with the Community Director on any ideas or assistance with fundraising that they have prior to initiating. This avoids duplication of effort and the possibility of more than one ProKids representative approaching the same person, foundation or corporation for funding.

1.8 Harassment and Discrimination

ProKids seeks to maintain an environment within the program that is free from intimidation, discrimination, coercion or harassment, including sexual harassment. Discrimination against a volunteer or client on the basis of sex, sexual orientation, gender identity, race, color, age, religion, disability, pregnancy, genetic information, ancestry, veteran or military status, national origin, or any other category protected by applicable law by another volunteer or staff member of ProKids will not be tolerated. In the event of a question, complaint or allegation regarding harassment or discrimination of any kind, the volunteer should speak with his or her Supervisor. If the volunteer is uncomfortable discussing the matter with his/her Supervisor, the volunteer should address the issue with the CASA Program Director or Executive Director. The matter will be investigated in a discreet and confidential manner, to the extent possible and, after consideration of the facts, appropriate action will be taken in the best interests of the volunteer and the program. Such action may include recommendations for counseling, disciplinary warning or discharge.

1.9 Alcohol/Drugs

CASA/GAL volunteers for ProKids are prohibited from being under the influence of, using, possessing, selling, buying or otherwise being involved with alcohol and/or illegal use of drugs while engaging in their role for the program.

1.10 AIDS – Communicable Diseases

ProKids will not tolerate discrimination against a volunteer or staff who has become infected with HIV/AIDS or other contagious medical condition. All staff and volunteers will respect the individual's right to privacy and maintain appropriate confidentiality regarding medical information and health status of all persons connected with the organization, including clients.

1.11 Online Communication and Social Media

Social media tools are a powerful way to increase awareness, support and a sense of community for ProKids. When using these tools – and identifying ourselves with ProKids and/or the CASA/GAL volunteer role – we all must protect the credibility of ProKids, the integrity of the CASA/GAL volunteer role and stand for the dignity of families, children and social agencies – even if they are not named.

This policy enables ProKids volunteers to use these online tools while protecting our children, our relationship with other entities, our organization, and volunteers. It restricts the use of these tools in specific ways only when the volunteer identifies online with ProKids or the CASA/GAL volunteer role.

Definitions (for purposes of this policy): Online communication (including applications (apps) such as Snapchat) and social media includes, but is not limited to:

- Emails
- Internet and intranet forums
- Blogs
- Podcasts
- List serves
- Text messages
- Sites such as Facebook, Twitter, LinkedIn, YouTube, Pinterest, Snapchat, and Instagram
- Other sites including those hosted by other media, such as the comment section of a news organization (Cincinnati.com, wlwt.com, etc.)

A volunteer creates an online relationship with ProKids and the CASA / GAL volunteer role by:

- Using phrases like “CASA,” “Court Appointed Special Advocate” or “ProKids” in a post or as part of a profile, description or signature
- Using any other term to refer to the agency
- Posting photos or videos which depict ProKids, CASA or other names, logos or symbols referring to the agency or its work
- Posting links to local, state, national and/or international web sites for CASA organizations
- Using text, video, photos from ProKids sponsored events as well as tagging your location or electronically “checking in”
- Using usernames or email addresses which indicate an affiliation with ProKids or with CASA work

Confidentiality. ProKids volunteers must always comply with existing policies on confidentiality and privacy regarding ProKids matters and cases.

Confidentiality requirements apply at all times, including with responses to postings on social media.

Opinions. ProKids volunteers should avoid creating any impression that views expressed on social media are anything other than personal opinions.

Pictures. ProKids staff members and volunteers may post pictures on social media that include themselves or other volunteers or staff members from ProKids events. Notification of this will be posted at all ProKids events and those who have privacy concerns should always notify the photographer.

Under no circumstances should any picture of a ProKids child or family associated with an active ProKids case be depicted in any picture posted online, even if they are not identifiable (face obscured, partially in the picture, etc.). After a case is closed, please consult the ProKids Communications Manager for guidance on use of pictures (i.e. adoption day, etc.). Stock photographs are permitted and available from ProKids for use on social media. Contact the ProKids Communications Manager to obtain approved stock photography when necessary.

Limitations. ProKids volunteers may not, when identified directly or indirectly with ProKids and the CASA program, post inappropriate material including, but not limited to:

- Depictions and descriptions of illicit substances and/or their paraphernalia
- Underage drinking
- Harassing, hostile or false information
- Any acts that violate local, state or federal laws or statutes or ProKids rules or policies
- Any statements which are prejudicial, discriminatory or derogatory against any individuals, businesses, government agencies or groups

ProKids volunteers are advised to use caution when giving opinions – including “likes” or “shares” – on social media regarding partisan political matters. Many times, it could be construed as prejudicial, discriminatory or derogatory.

Direct contact. ProKids volunteers are not permitted to have direct social media relationships (i.e. 'friends' on Facebook; 'follower' on Twitter) with client children until the child reaches the age of majority and the case has officially closed.

ProKids strongly discourages direct social media relationships with any adult individual associated with a ProKids case or the volunteer's work with ProKids (i.e. with a foster parent from a case, a caseworker, a network worker, court personnel, etc.).

National CASA offers the following suggestions for protecting privacy:

- Separate social media accounts, for use only in CASA communications.
- Segment CASA contacts using lists/circles, depending upon the network.
- Make sure that default privacy settings for posting to Facebook or G+ (Google plus) is set to "Friends Only" or stricter and ensure that any friends/followers list that includes CASA contacts doesn't display on a public profile.
- Be certain that any case-related communication is not or cannot become public. Do not post on family members' blogs or Facebook walls. Do not "tweet" at a youth or family member. Do not post or "tag" photos of CASA kids or their families. Do not post meeting location date/times/locations using social media.
- If communicating through a social network, try to use direct messages (Twitter) or messages (Facebook). Do not use any location-sharing social networks like Foursquare when on CASA business.

If a ProKids volunteer is concerned about any electronic message, post, or video from a ProKids child or adult associated with a ProKids case, they should notify the CASA Manager associated with the case immediately.

Authorized ProKids Social Media Accounts. There are several authorized ProKids social media accounts – accounts that exist on various social media platforms intended to communicate information on behalf of the ProKids organization. These accounts are managed by the ProKids Communications Manager, and no other person is permitted to post from these accounts without the express written permission of the ProKids Communications Manager. Any questions or comments relating to the content or existence of these accounts should be directed to the ProKids Communications Manager.

Disciplinary Action. Violations of confidentiality and/or this social media policy may be the cause of immediate dismissal.

EXAMPLES

Acceptable

- Enjoyed meeting my ProKids child today. I love being a CASA volunteer!
- Had a good day at court as a CASA volunteer. Cannot believe what a difference one adult can make for a child. Learn more at www.prokids.org.
- Happy to have played a part in the adoption of my ProKids child today. She is going to have a great future. Glad that ProKids was part of her life.
- Support ProKids this weekend at the Superhero Run downtown. I'll be there as IronMan!
- Today at ProKids a bunch of us were able to get school supplies for the children we volunteer to help. It's great that the community comes together to make sure these kids have a great start to their school year.

Not Acceptable/Reasons Why

<p>Great day at court as a CASA volunteer. I was the only one who knew the child well and got the judge to do exactly what I wanted to have happen.</p>	<p>We are part of a team and we do not get “the judge to do exactly what I wanted.” And it’s usually a magistrate.</p> <p>Better: Great day at court as a CASA volunteer. I was able to share information about my ProKids child with the magistrate and she made a great decision for him.</p>
<p>So, discouraged by Hamilton County Juvenile Court. Had to wait 4 hours to get into the courtroom and then the magistrate continued the case!</p>	<p>We do not express negativity about the court or its processes, nor about any party to the case. This includes comments like “the bio parents never show up;” “doesn’t my child realize how we are trying to help her, and she just keeps running away;” “the foster parents have no idea what they are doing;” “the county doesn’t think about the children;” etc.</p>
<p>Loved attending the graduation yesterday of Jason, my ProKids child, at Withrow High School. It was a long road, but he made it!</p>	<p>When in doubt about protecting confidentiality, leave it out. Even just a first name – especially with the name of his school – identifies a child.</p> <p>Better: Loved attending the graduation yesterday of my ProKids child. He was so proud of his success!</p>
<p>Cannot believe that someone gave up on the sweet 14-month-old who is my ProKids child now. Just look at his smile! <photo></p>	<p>Never share a photo of a child. Avoid commenting on parents who surrender their rights.</p> <p>Better: My ProKids child is a sweet 14-month-old. Hoping someday she has a forever family. Thankful that ProKids helps kids stay safe and move to permanent, nurturing homes.</p>

So glad that my ProKids child has such an awesome foster family. After visiting today, I know they are a great fit!	Since we never know what can happen, save your opinions on placements for court documents. Better: My ProKids child is doing great. He is starting to talk and has even mastered pedaling a Big Wheel! I'm glad that ProKids helps me advocate for him.
I am soooooo frustrated with the Hamilton County caseworker on my ProKids child's case!	Again, avoid negativity. Do not vent on social media.

1.12 Complaints and Grievances

Except as set forth in ProKids' Whistleblower Policy, every effort should be made to solve problems cooperatively and informally before presenting them as a formal grievance.

Should informal efforts fail, the following policy is set forth in order to provide an outlet for complaints and a systematic way to resolve the matter. All complaints will receive thoughtful consideration and will be discussed with the individual who raises them. Complaints and grievances may arise from external or internal (within the program) sources.

External. ProKids is involved in work that involves the future of the lives of children and families. It is emotionally charged work that evokes a wide range of feelings. It is therefore common and expected that there will be criticism from individuals involved in a case, especially when the CASA/GAL volunteer does not make recommendations that are in agreement with others' point of view. Should a complaint arise from someone outside the ProKids organization, the volunteer or Supervisor to whom the complaint was given should inform the Executive Director of the details of the complaint. It will be the responsibility of the Executive Director to decide if the complaint has substance and, if so, to request a written statement from the individual initiating the complaint. The written statement will be kept on record in the ProKids office. In addition, the Executive Director, with advice from the Board of Trustees if needed, will determine what action, if any, should be taken.

Internal. When a CASA/GAL volunteer wishes to make a statement of dissatisfaction with a policy, practice, condition or Supervisor's decision, the volunteer should first discuss the matter with their Supervisor. If the problem is not resolved to the satisfaction of the CASA/GAL volunteer, she/he should contact the CASA Program Director.

If the problem is not resolved to the satisfaction of the CASA/GAL volunteer, she/he should contact the Executive Director. In the event that the CASA/GAL volunteer is still not satisfied with the conclusion of the matter after involvement of the Executive Director, the CASA/GAL volunteer should present a written grievance statement to the Executive Director and ProKids Board of Trustees. The Executive Director will discuss the grievance with the staff involved and the ProKids Board of Trustees. The CASA/GAL volunteer will be entitled to receive a written response to their formal grievance from the Board of Trustees outlining the position the Board of Trustees has taken on the issue. The Board of Trustees' decision will be final.

1.13 Whistleblower Policy

This Whistleblower Policy of ProKids: (1) encourages board members, staff and volunteers to come forward with credible information on unethical, inappropriate or illegal practices or serious violations of adopted policies of ProKids; (2) specifies that ProKids will protect the person from retaliation; and (3) identifies where such information can be reported.

Encouragement of reporting. ProKids encourages complaints, reports or inquiries about illegal practices or serious violations of the ProKids' policies, including unethical, inappropriate or illegal or improper conduct by ProKids itself, by its leadership, or by others on its behalf. Appropriate subjects to raise under this policy would include financial improprieties, accounting or audit matters, ethical violations, or other similar illegal or improper practices or policies. Other subjects on which ProKids has existing complaint mechanisms should be addressed under those mechanisms, such as raising matters of alleged discrimination or harassment via ProKids' human resources channels, unless those channels are themselves implicated in the wrongdoing. This policy is not intended to provide a means of appeal from outcomes in those other mechanisms.

Protection from retaliation. ProKids prohibits retaliation by or on behalf of ProKids against staff or volunteers for making good faith complaints, reports or inquiries under this policy or for participating in a review or investigation under this policy. This protection extends to those whose allegations are made in good faith but prove to be mistaken. ProKids reserves the right to discipline persons who make bad faith, knowingly false, or vexatious complaints, reports or inquiries or who otherwise abuse this policy.

Where to report. Complaints, reports, or inquiries may be made under this policy on a confidential or anonymous basis. They should describe in detail the specific facts demonstrating the bases for the complaints, reports or inquiries. They should be directed to ProKids' Executive Director or President of the Board of Trustees; if both of those persons are implicated in the complaint, report or inquiry, it should be directed to another officer or director. ProKids will conduct a prompt, discreet, and objective review or investigation. Staff or volunteers must recognize that ProKids may be unable to fully evaluate a vague or general complaint, report or inquiry that is made anonymously.

1.14 Conflict of Interest

Any relationships or activities, including, but not limited to those of an employment, business, professional, or personal nature which may conflict with a volunteer's responsibility as a CASA/GAL volunteer, must be disclosed by the volunteer. Volunteers must not be related to any parties involved in the case to which they are assigned or be employed in a position or with an agency that might result in a conflict of interest. Volunteers are not to have a direct or indirect financial interest in the assets, leases, business transactions or professional services of ProKids.

Since a conflict of interest may arise at any point in time, the CASA/GAL volunteer has an ongoing duty to disclose, on a timely basis, the existence of any actual or potential conflicts. It is the CASA/GAL volunteer's responsibility to prevent the occurrence of those conflicts of interest over which the volunteer has control.

Further, volunteers shall excuse themselves from the room when there is any deliberation and decision on the matter of interest.

Discipline or dismissal of a volunteer may occur in the event the volunteer fails to disclose the conflict prior to becoming involved in the transaction or decision affected by the conflict. In such cases, discipline/dismissal will normally follow ProKids' progressive discipline process. ProKids reserves the right to "dismiss at will." Immediate dismissal will take place only in the most serious of circumstances. Grounds for termination may include, but are not limited to, a conflict of interest arising which cannot be resolved.

PART 2: VOLUNTEER RECRUITMENT AND SELECTION

2.1 Recruitment

CASA/GAL volunteers will be recruited by ProKids on a pro-active basis, with the intent of broadening and expanding the volunteer involvement of the community. CASA/GAL volunteers will be recruited and accepted into the program without regard to sex, sexual orientation, gender identity, race, color, age, religion, disability, pregnancy, genetic information, ancestry, veteran or military status, national origin, or any other category protected by applicable law. The sole qualification for volunteer recruitment will be suitability to perform the duties of the CASA/GAL volunteer position. Qualification exclusions include but are not limited to:

- ProKids will not accept into the program individuals who have been convicted of any criminal act involving a child or who have been adjudicated in Juvenile Court to have abused or neglected a child. This is inclusive of, but not limited to, any sexual offense, abuse, neglect or related acts that would pose risks to children or to ProKids' credibility.
- Staff, employees, foster parents, and individuals employed either directly or indirectly by the Hamilton County Job and Family Services (HCJFS) will not be accepted as a CASA/GAL volunteer.
- Individuals who have an indicated or substantiated case within the Central Child Abuse Registry will not be accepted to volunteer.

2.2 Application

Individuals may apply to serve as advocates for ProKids by submitting a written application provided by ProKids. Included with the application will be a release of information form and requests for 3 letters of reference. Any applicant who is transferring from another CASA program must undergo the full application and screening process.

2.3 Interview

Candidates for training shall be interviewed in person by ProKids staff members. The interviewer will seek to determine the volunteer applicant's suitability for and interest in the position. The interviewer should determine the qualifications of the volunteer applicant, his/her commitment to fulfill the requirements of the position and should answer any questions that the volunteer applicant might have about the position.

2.4 Background Check

A formal security check including fingerprinting and social security number is conducted of the volunteer applicant by screening criminal and traffic records through local, state and national law enforcement agencies and child abuse and sex offender registries. Additional screenings will be conducted in Hamilton County and any county and state the volunteer has lived or worked within the past 7 years.

ProKids will reject a volunteer applicant if he/she refuses to sign the releases of information for security checks.

ProKids will conduct rechecks of all ongoing volunteers which will include annual updates as well as comprehensive rechecks every 3 years of service. A volunteer who refuses to sign for recheck will be terminated.

2.5 Criminal Charges

For any volunteer applicant found to have been convicted of or having charges pending for a felony or misdemeanor involving a sex offense, child abuse or neglect, or related acts that would pose risk to a child or ProKids' credibility will not be accepted as a volunteer.

Any volunteer applicant found to have committed a felony or misdemeanor that is unrelated to or would not pose a risk to children and would not negatively impact the credibility of ProKids, ProKids will consider the extent of the rehabilitation since the misdemeanor or felony was committed and any other factors that may influence the decision to accept the applicant as a CASA/GAL volunteer. The decision of the supervisory staff of ProKids regarding this matter is final.

All volunteers must report any current criminal charges and any abuse, neglect or dependency investigations of which they are subjects to their ProKids Supervisor immediately. ProKids reserves the right to suspend CASA/GAL status pending resolution or investigation into the above charges.

2.6 Position Description

Every CASA/GAL volunteer will be provided with copies of all volunteer position descriptions and is encouraged to offer suggestions for changes in the position or its description.

2.7 Pre-Service Training/CASA University

CASA volunteer applicants are required to successfully complete ProKids' CASA University training for new advocates. The CASA/GAL volunteer will successfully complete at least 30 hours of pre-service training during which the volunteer must spend a minimum of 10 hours in personal contact with and under the supervision of the program staff delivering the training in order to evaluate the applicant's appropriateness to serve as a volunteer. Some classes will be videotaped. CASA/GAL volunteer applicants are permitted to watch one videotaped session out of seven sessions in place of class attendance. Each applicant will be provided with a comprehensive training manual. Training will be provided by a variety of instructors. Acceptance to the training course does not guarantee acceptance as a CASA/GAL volunteer.

An active volunteer who transfers from another CASA program does not have to complete the full 30 hours of pre-service training. However, he/she must complete, at minimum, training regarding the local courts, laws, program policies and procedures, investigation and report writing, along with the required court observation.

2.8 Court Observation

All CASA volunteer applicants must observe at least one (1) dependency court hearing before case assignment.

2.9 Acceptance into the Program

The ProKids' supervisory staff will determine whether a volunteer is accepted into the CASA program. Service as a CASA/GAL volunteer with ProKids shall begin after satisfactory completion of the thirty-hour initial training course, background and reference checks.

2.10 Length of Commitment

Volunteers serving as CASA/GAL volunteer for children are asked to commit to the CASA program for a minimum of one (1) year upon case assignment.

2.11 Leave of Absence

Volunteers may request a leave of absence from their role as a CASA/GAL. It is requested that the volunteer provide information regarding the time period of this leave to their Supervisor as early as possible so that any active case may be transitioned to another CASA/GAL volunteer.

If a volunteer is inactive for less than a year, the volunteer must complete their remaining 12 hours of in-service training before handling a new case. If the volunteer is inactive for more than a year but less than 3 years the volunteer must complete, at minimum, 12 hours of in-service training before handling a new case. If the volunteer is inactive for more than 3 years, the volunteer must complete the 30 hours of pre-service training before handling a new case.

PART 3: VOLUNTEER SUPERVISION AND EVALUATION

3.1 Supervision

CASA/GAL volunteers are assigned to a CASA Program Director, CASA Team Leader, CASA Manager, or Volunteer Supervisor/GAL, for assistance and supervision. The CASA Program Director is responsible to the Executive Director. The Executive Director is responsible to the Board of Trustees. Please refer to the ProKids Organizational Chart for further detail.

3.2 In-Service and Continuing Education Requirement

After the CASA volunteer completes pre-service training the next requirement is to complete in-service training, offered on a regular basis by ProKids, specific to the age of children the CASA/GAL volunteer serves. These specialized in-service training courses are only required once during a CASA/GAL volunteer's tenure but must be completed within the CASA/GAL volunteer's first full year of service. These specialized in-service trainings include, but are not limited to, Building Blocks (for cases involving children birth through 5 years), Framing Futures (for cases involving children ages 6 through 13 years of age) and Launch (for cases involving children ages 14 and older). Steps to Peace is offered for all CASA/GAL volunteers to assist in identifying and recommending appropriate interventions due to the results of ACEs, toxic stress and trauma.

Once the CASA/GAL volunteer completes in-service training within the first year of service, the next requirement is to attend a minimum of twelve (12) continuing education hours annually. Each year, volunteers must confirm their completion of this requirement. Failure to complete this requirement will result in suspension of CASA/GAL volunteer responsibilities until such time as the requirement is fulfilled. CASA/GAL volunteers may obtain these credits by attending ProKids training, including repeating CASA University preservice and in-service courses. In addition, CASA/GAL volunteers may attend training offered by outside agencies, which are often publicized by ProKids. CASA/GAL volunteers should seek guidance for other methods of obtaining continuing education credits from ProKids staff, including using books, online resources and videos. ProKids may provide these sessions or they may be provided by other agencies deemed appropriate by the ProKids staff.

All ProKids training is listed on the calendar at www.prokids.org

3.3 Professional Conduct

At all times CASA/GAL volunteers are expected to conduct themselves in a manner that upholds the credibility and positive reputation of ProKids and CASA/GAL volunteer in the courtroom and the community.

CASA/GAL volunteers should dress appropriately for court and for other meetings wherein the volunteer is participating as a CASA/GAL.

3.4 Volunteer Statistics

One of the responsibilities of the CASA/GAL volunteer will be to track certain statistics on a monthly basis and report this information back to their Supervisor. These figures are needed by the program for grant reports. ProKids relies heavily on grants to supply funds for the operation of the program and without this information the grants would not be available to us. The types of information that will be tracked and how to record it will be explained to the CASA/GAL volunteer by their Supervisor.

3.5 Promotion of CASA to Volunteer Supervisor/GAL

A CASA/GAL volunteer who has demonstrated exceptional independent advocacy skills and has been a CASA/GAL volunteer for at least 3 years with 2 cases or 2 years with 3 cases may be recommended for promotion by their Supervisor. ProKids supervisory staff will discuss the recommendation and if appropriate will accept the recommendation of the CASA volunteer's supervisor. The CASA/GAL volunteer's Supervisor will then schedule a meeting with the CASA/GAL volunteer to discuss the changes in the volunteer's position description and expectations of the Volunteer Supervisor/GAL role. The recommendation is then submitted to the Juvenile Court Magistrates for final approval. All CASA/GAL volunteers have the right to refuse any promotion. The recommendation for promotion is the sole discretion of the ProKids Supervisory staff.

Volunteer Supervisor/GALs are required to adhere to all policies and procedures of CASA/GAL volunteers. Additional policies and procedures for Volunteer Supervisor/GALs are outlined in this manual by the title Volunteer Supervisor/GAL.

3.6 Evaluations

CASA/GAL volunteers will be asked to participate in an annual performance evaluation of their Supervisor. CASA/GAL volunteers will be evaluated yearly by their supervisor. These evaluations are development tools designed to ensure the growth and success of the volunteer. ProKids will seek to maintain an open atmosphere in which volunteers will feel free to express their opinions on any aspect of the program.

3.7 Progressive Discipline

It is the policy of ProKids to apply a practice of progressive discipline when needed to correct CASA/GAL volunteer misconduct or poor performance. Depending on the circumstances, misconduct can result in disciplinary action that may include a verbal warning, written warning, dismissal, or can result in a written agreement for corrective action. Verbal and written warnings shall be administered by the CASA/GAL volunteer's Supervisor within one week of notice of misconduct or poor performance. When a CASA/GAL volunteer's actions are dangerous or otherwise inappropriate termination can take place immediately. A written termination letter will be sent to the volunteer within one week.

3.8 Dismissal of a Volunteer

Dismissal of a CASA/GAL volunteer will normally follow the program's progressive discipline process. Dismissal of a CASA/GAL volunteer is the responsibility of the supervisory staff of ProKids. ProKids reserves the right to "dismiss at will." Immediate dismissal will take place only in the most serious of circumstances. Grounds for termination may include, but are not limited to:

- taking action without program or court approval which endangers the child or is outside the role or powers of the CASA program
- violating a program policy, court rule or law
- demonstrating inability to effectively carry out CASA/GAL volunteer duties
- gross misconduct or insubordination
- being under the influence of alcohol or drugs while performing volunteer duties
- lying or falsifying records
- criminal charges or allegations related to drugs or alcohol, or abuse or neglect of a child
- conflict of interest arising which cannot be resolved
- engaging in ex-parte communication with the court
- failure to complete required training

3.9 Resignation

CASA/GAL volunteers may at any time, for whatever reason, decide to resign from their volunteer service with ProKids. It is requested that volunteers who intend to resign provide as much advance written notice as possible, and the reason for their decision.

3.10 Volunteer File

ProKids will maintain a file on each CASA/GAL volunteer. The CASA/GAL volunteer record contains, as appropriate:

- identifying information and emergency contacts application
- position description
- reference documentation
- security check documentation
- training records
- Transportation Liability and Release Form
- documentation related to performance, if applicable

3.11 Review of Volunteer File

CASA/GAL volunteers can review their file at any time by appointment with their Supervisor. Information supplied by references will be removed when the volunteer has waived the right to review on the volunteer application.

3.12 Addition and Corrections of Volunteer File

Any CASA/GAL volunteer can supplement their file for additions or corrections after review by submitting a letter to the Executive Director.

PART 4: CASE RELATED POLICIES

4.1 Assignment – Right of Refusal

CASA/GAL volunteers are assigned to a particular case by their Supervisor. CASA/GAL volunteers are free to refuse an assignment for any reason. If the CASA/GAL volunteer does accept a case, their Supervisor will meet with him/her to review the case information and at that time will provide the volunteer with the documentation needed for the assignment. CASA/GAL volunteers must follow the directions of their Supervisor, included but not limited to, the removal from case assignments or any limitations on contact with CASA/GAL clients or former clients.

4.2 Record Keeping

Once assigned to a case, the CASA/GAL volunteer shall maintain a confidential case file. This file is to include:

- the original documentation of their appointment to the case
- all notes and copies of documents relating to the case including court documents, assessments, medical records, etc.
- all notes relating to phone calls and other interviews, and
- copies of all correspondence they have received or sent in regard to the case

CASA/GAL volunteers are required to maintain the confidentiality of their case information. If this is not possible in your home, arrangements can be made to keep your file in the ProKids office. This file remains the property of ProKids at all times. In addition, the CASA/GAL's Supervisor will maintain a file on the case.

At the conclusion of the CASA/GAL volunteer's involvement with the case, the entire file must be returned to the ProKids office for storage. Any electronic files and messages containing confidential case information on any device must be permanently deleted.

4.3 Reimbursement of Expenses

CASA/GAL volunteers are eligible for reimbursement of expenses related to long distance phone calls they make in the course of their casework. CASA/GAL volunteers should submit a copy of their phone bill with the appropriate items indicated to the office for processing of this expense. Reimbursement must be requested within 60 days. Other expenses that a volunteer incurs as an advocate should be reported as in-kind donation and may be tax deductible for the volunteer.

4.4 Visits with Child

CASA/GAL volunteers will visit face-to-face with the child(ren) on their case at least monthly. At least every 3 months this visit should occur within the child's residence. In most cases, Building Blocks CASAs will be required to visit their children at least twice per month. Visits should be made by appointment. CASA/GAL volunteers should make unannounced visits to a child's placement, including a foster home only after discussion with their supervisor. The CASA/GAL volunteer should arrange to meet in a public place or with other adults present in order to minimize the potential for unsubstantiated claims of misconduct by either party. CASA/GAL volunteers must not transport a child age birth to eight years.

4.5 Reporting of Abuse/Neglect

Per ProKids policy, CASA/GAL volunteers are mandated reporters and shall immediately report all suspected incidents of abuse or neglect, or any situation in which the CASA/GAL volunteer has reason to believe that a child is in imminent danger. Any questions regarding what is abuse or neglect should be directed to their Supervisor. The Supervisor will advise the volunteer as to whether or not to phone the HCJFS Child Abuse Report Line (241-KIDS) with details of the problem. If the CASA/GAL volunteer feels that the situation is an emergency, they should first call the HCJFS Child Abuse Report Line (241-KIDS) and / or the police (911), then notify their ProKids' Supervisor. Instances in which a call to the HCJFS Child Abuse Report Line is warranted includes, but is not limited to:

- Children appear to be home alone or if the caregiver is unavailable to properly supervise (i.e. sleeping)
- There is no food in the home
- The family is residing in an environment that is unsanitary or unsafe in condition
- The family is living in a home without heat or electricity during cold weather
- The child(ren) has an unexplained or suspicious injury as evidenced by bruising, welts, abrasions, or red areas of skin.
- The parent has left the child(ren) with an inappropriate caretaker
- The parent or caregiver appears to be under the influence of alcohol or drugs
- If a child makes any statement alluding to child abuse or neglect

4.6 Volunteer-Client Relationship

CASA/GAL volunteers are not to provide direct service delivery to any party involved in their case that could: a) lead to a conflict of interest or liability problems or; b) cause a child or family to become dependent on the CASA/GAL volunteer for services that should be provided by other agencies or organizations. The role of the CASA/GAL volunteer is outlined in the position description and does not extend beyond the duties listed therein. Good judgment and common sense should dictate the relationships with parties involved in a case. Some examples of inappropriate volunteer practices are:

- taking a child to the CASA/GAL volunteer's home, or any home other than the child's without prior approval of the supervisor
- giving legal advice or therapeutic counseling to anyone involved in a case
- making placement arrangements for the child, outside HCJFS knowledge
- giving money or expensive gifts to the child or family or caregiver
- engaging in activities that jeopardize the safety of the child
- changing diapers, clothes, or bathing a child
- any payment of services, or
- allowing interaction between your biological family and ProKids clients

4.7 Transportation of Children and Other Parties

ProKids maintains liability insurance to cover the program when its volunteers provide transportation to children and families. However, CASA/GAL volunteers who choose to transport children or families do so at their own risk and must carry the appropriate automobile insurance. Before transporting, you:

- must have a valid driver's license and must have passed a motor vehicles division record check
- must have adequate personal automobile insurance
- must have on file at ProKids your signed Transportation Liability and Release Form
- must obtain the permission of your ProKids Supervisor, and
- must obtain the permission of the child's legal guardian if the child is not under the custodial care of HCJFS

CASA/GAL volunteers must not transport any child required by Ohio law to be transported in an infant, toddler, booster car seat or any other specialized seating. CASA/GAL volunteers must observe their automobile manufacturer's recommendations regarding airbags and safety. CASA/GAL volunteers must not transport children across state lines.

All volunteers must report any current criminal charges or investigations regarding the operation of their automobile or status of their driver's license to their ProKids' Supervisor immediately. ProKids reserves the right to suspend the CASA/GAL volunteer's privilege to transport children pending resolution or investigation into the charges.

ProKids will maintain a file of your Transportation Liability and Release Form, driver's license number and current insurance coverage. This information will be updated yearly. Transporting children and families is a personal choice of all volunteers and is not any expectation or requirement. You understand the potential risks of liability and choose to accept that responsibility.

All volunteers are prohibited from texting or emailing while driving on ProKids business. "Driving" means operating a motor vehicle on an active roadway with the motor running, including while temporarily stationary because of traffic, a traffic light or stop sign, or otherwise. It does not include operating a motor vehicle with or without the motor running when one has pulled over to the side of, or off, an active roadway and has halted in a location where one can safely remain stationary.

4.8 Observing Parent/Child or Sibling Visits

Under certain circumstances, CASA/GAL volunteers may observe visits between the child and their parents/siblings. The purpose of attending such visits would be to observe the family interactions, not to supervise or interfere. CASA/GAL volunteers should respect these visits as limited, valuable time that the family has to spend together. Supervision of visits is never to be the responsibility of CASA/GAL volunteer.

4.9 Volunteer Safety

Personal safety of the CASA/GAL volunteer is a joint responsibility of the volunteer with support from ProKids and his/her Supervisor. When the CASA/GAL volunteer is working a case, he/she is responsible to keep someone informed of his/her whereabouts.

No volunteer should feel obligated to put himself/herself in personal jeopardy as he/she performs the role as a CASA/GAL volunteer. If the volunteer is uneasy about entering a neighborhood, building, or meeting with a particular party, the volunteer should arrange the meeting in a more comfortable location or arrange for another CASA/GAL volunteer or supervisor to accompany him/her. CASA/GAL volunteers must never be accompanied to visits/meetings other than by another CASA/GAL volunteer, a ProKids supervisor or someone officially involved in the case. If a CASA/GAL volunteer has been warned not to be alone or to transport the child or family member and does so anyway, a disciplinary action shall be taken.

4.10 Court Reports and Appearance

A primary responsibility of the CASA/GAL volunteer will be to compile a report on his/her case prior to each appearance in court. The CASA/GAL volunteer will receive training from the program on how to write and process these reports. The reports are to be approved by the Supervisor of the CASA/GAL volunteer prior to submission of the report to the court. This report should be received by the Supervisor two weeks prior to the court appearance. The Supervisor will then review the report and offer suggestions to the volunteer regarding any alterations to the report. The Supervisor will not alter the report or recommendations without the knowledge of the CASA/GAL volunteer. If the Supervisor disagrees with the CASA/GAL volunteer's recommendations, and the Supervisor and CASA/GAL volunteer are not able to reach an agreement, the Supervisor will have authority to rewrite the report.

CASA/GAL volunteers are responsible for arriving at court 15 minutes before scheduled to meet with their Supervisor to cover any last-minute issues. All CASA/GAL volunteers must have a ProKids Supervisor accompany them to court.

Volunteer Supervisor/GALs are responsible for attending court hearings with the CASA/GAL volunteers that they supervise and ensuring an appropriate court report is provided to the court and all parties. The Volunteer Supervisor/GAL must keep the ProKids office aware of their case calendar events of the CASA/GAL volunteer that they supervise on a monthly basis. Volunteer Supervisor/GALs may request staff assistance at any time. Volunteer Supervisor/GALs must request legal representation when other

parties are represented, when a legally contested issue arises, or when the Volunteer Supervisor/GALs needs to initiate legal action in the best interests of the child(ren) the Volunteer Supervisor/GALs represents.

4.11 Confidentiality

CASA/GAL volunteers are responsible for maintaining confidentiality of all information to which they are exposed while serving as a volunteer, whether this information involves a party to their case, another ProKids case, another volunteer, or staff. Volunteers are not authorized to solicit other persons outside ProKids to aid them with specific duties outlined in the CASA/GAL volunteer position description.

CASA/GAL volunteers should take measures to ensure that all electronic and hard copy correspondence, files and records are safely and securely maintained. Care will be taken by all CASA/GAL volunteers to protect the identity of clients within e-mail transmissions.

A CASA/GAL volunteer becomes an officer of the court upon assignment to a case. Any information pertaining to the individual families or children that the CASA/GAL volunteer receives in the discharge of his or her duties is confidential. It may not be discussed with anyone except to report to the court or as the court directs or the law permits.

Violation of confidentiality can result in the discrediting of the CASA program and may be cause for immediate dismissal. CASA/GAL volunteers should consult with their Supervisor regarding any questions about sharing information appropriately.

4.12 CASA/GAL Home Address

ProKids staff and volunteers will not disclose the CASA/GAL volunteer's home address. The CASA/GAL volunteer must not give out their home address. All case-related mail should be directed to the ProKids office. ProKids will copy the mail and forward it to the assigned CASA/GAL volunteer on the case.

4.13 CASA/GAL Email Addresses

ProKids staff and volunteers will not disclose the CASA/GAL volunteer's email address. The CASA/GAL volunteer must determine to whom they will disclose their email addresses. The only exception to this rule is in the case of Specialized Program ProKids volunteers who are emailing CASA/GAL volunteers in order to support their CASA work. All case related reports that are communicated through email should be forwarded to the Supervisor, so they can have a complete case file.

4.14 CASA/GAL Phone Numbers

ProKids staff and volunteers will not disclose the CASA/GAL volunteer's phone number(s). The CASA/GAL volunteer must determine to whom they will disclose their personal phone number(s); this is the sole discretion of the volunteer. No volunteer shall disclose another volunteer's phone number. The only exception to this rule is in the case of Specialized Program ProKids volunteers who are calling CASA/GAL volunteers in order to support their CASA volunteer work. Phone calls can be directed to the ProKids office. ProKids will take case-related messages and relay those messages to the assigned CASA/GAL volunteer.
